

Welcome to the 27th International exhibition and conference on Rice & Grain Processing technology, **RICE TECH EXPO-BIHAR** the much awaited event that will be held from 8-10 September 2017, Gandhi Maidan, Patna, Bihar, India. The hosting city Patna is the capital of Bihar.

Throughout history rice has been one of the most important foods for mankind. Rice

is the second largest produced cereal in the world. Rice contains many valuable nutrients and vitamins essential to human growth. Almost half of the people in the world eat rice as a staple food. World wide, India stands first in rice area and second in rice production with a contribution of 22.5 per cent of global production.

Rice Tech Expo - Patna

Rice Tech Expo, Patna exhibition is being organised at Gandhi Maidan, Patna, Bihar. We have organised in 2011 & 2013 with grand success. This mega event will provide an opportunity to reach out to Buyer/Sellers. Machinery marketing Agencies and representative of various organizations and also a large number of Rice millers from the various neighboring states of the country are expected to visit the event. More than 100 companies from India and abroad are interested to participate in this exhibition. We are sure that you would like to avail this unique opportunity to demonstrate the latest product technologies developed by your company by exhibiting at Rice Tech Expo, Patna.

Rice Industry in Bihar

Bihar is producing about 84 lakh tons of Rice every FY 2015-16 of Rice in 43 lakh hectares area. Among the 38 districts Rohtas, Aurangabad, West Champaran, Buxar, are the main Rice Industry pockets in Bihar. Bihar is one of the largest market for milled rice. Current milling capacity in the state is not sufficient to meet the rice demand. Hence, there is a big scope to establish new modern Rice mill plants in Bihar.

About Jharkand Rice Industry

The neighboring state Jharkand is producing 36.37 lakh tonnes of Rice with the acreage of 13.54 lakh hectares. Jharkand has good market potential for Rice processing machinery, as many new rice mill units are coming up with latest technologies.

Apart from Bihar and Jharkand, Rice Industry people from Uttarpradesh and Uttaranchal are also veruy keen to visit the Rice Tech Expo, Patna. So we strongly feel that Rice Tech Expo, patna will be another successful event.

Objective of the event

Rice Tech Expo is a roaming event which has been aimed at upgradation of technology in rice industry in all major rice producing states of the country. Rice Tech exhibitions and Seminars organised so far at Vijayawada, Hyderabad, New Delhi, Raipur, Bangalore, Kolkata, Chandigarh, Chennai, Ahmedabad,

'Rice Tech Expo' organised by **'Shiny Group'** in previous years helped Bihar Rice Millers in modernising their Rice mills. I hope that the forth coming **'Rice Tech'** Exhibition in Bihar would really create a meeting place for the millers, manufacturers and suppliers with Fruitfull Business deliberations. I Wish the Organisers all the best.

Sri. Raju Gupta
President, Bihar Rice Millers Association

Bhubaneswar, Patna, Bangladesh, Lucknow, Srilanka witnessed tremendous response and fulfilled the objective to a maximum extent. Most of the leading machinery makers have recognized "Rice Tech Expo" event to be of result oriented in promoting their business interests.

Technical Conference

The Knowledge sharing programme will include scientific and practical conference that will cover the key issues in the sphere of Rice milling industry & Rice Marketing. The official programme of the event will include conference, workshop and discussions on 'Modernisation of Rice processing technology & Rice Markets'.

Experts in their respective fields will share their expertise and experiences with delegates paving the way for a lively interaction. This seminar will take a close look at the latest developments in the global and regional rice industry covering a wide range of topics on rice processing, modernization, marketing and technological developments.

Exhibitors Profile

- Rice, Grains, Cereals, Pulses, Spices & Oil Seeds Cleaning, Grading, Colour Sorting and Milling Technology
- Parboiling plants
- Boiler & turbine
- Packaging Machinery & Equipment for all types of Grains
- Air compressor
- Abrasive wheel
- Grains storage and Silos manufactures
- Rubber roll & V-belts
- Bag closing machines
- Lab equipments
- Electric Panels
- Dryers
- Weighing scales/bridges
- Generators
- Roofing system & Insulation providers
- Electric motors
- Digital Temperature Controller & Data Loggers
- Wrapping, Sealing & Lamination Equipments
- Feed Machinery & Equipments
- Vegetable Oil & Fats Manufactures
- Tarpaulin manufacturers
- Pumps and valves manufactures

- Perforated sheets
 - Pollution controlling equipment manufactures
 - Post Harvest Technology
 - Heat exchangers
 - Energy transmission/gear boxes
 - Solvent extraction plants
 - Thread manufactures
 - Financial & Insurance institutions and Banks
 - Warehousing Technologies & Facilities
 - Water treatment companies
 - Elevators, conveyors manufactures
 - Bio Energy & Waste Management
 - Packaging machinery & material manufactures
 - Pre-engineering building manufactures
- Food Products :** Rice/ Spices/ Pulses/ Cereals/ Wheat Products/ Oil Seeds/ Milled Products/ Namkeen/ Corn Flakes/ Chips/ Health Products/ Tea/ Coffee/ Cocoa bean/ Soyabean Products/ Noodles/ Pasta/ Vermicelli/ Wheat Flour/ Maida/ Sooji/ Dalia/ Wafers/ Cones/ Roti/ Corn Flour/ Cooking Oils/ Biscuits/ Cookies/ Cracker/ Bread/ Snacks/ Macaroni & Other Processed Agri & Food Commodities etc.
- Bakery Products & Inputs
 - Automation & Software solution providers
 - Mill Store & Fabricators

Who will Visit ?

Rice Mill Owners, Dall, Flour and other grains millers, Distributors & Agents, CEOs and Chief Engineers, Rice Importers & Exporters, Rice Trade Analysts, Trade Commissioners & Consultants, Chamber of Commerce from various countries, Research scientists and technologists, Govt. Officials, Food Retail Chains, Ware houses, those who are directly or indirectly related to the Rice Processing & Technology sector.

Participation & Facilities

Participation charges cover position, fascia with the exhibitors name, two chairs, One table, one dustbin, carpet flooring etc. Electricity charges for

the three spotlights and One 5 amp plug. One copy of the Exhibitors souvenir, two exhibitor badges on every 9 sq.mt. stall. The organisers will arrange general security for the exhibition hall.

Allocation of Stands/Space

Stands/Space at the exhibition will be allocated on first-come-first serve basis on receipt of filled application along with 50% advance stand charges by demand draft in favour of 'Shiny Trade Expositions', Three phase electricity consumption charges to run any machinery will be extra.
